Q&A

11.25 am **Coffee break**

11.40 am

SUSTAINABLE ECONOMIC GROWTH

Welfare

Demographic and social changes make the current economic system no more sustainable. New welfare models could be the solution to provide social services such as education, health, assistance and personal care.

I cambiamenti demografici e sociali rendono l'attuale sistema economico non più sostenibile. Nuovi modelli di welfare potrebbero essere la soluzione per fornire servizi sociali quali istruzione, sanità, assistenza e cura alla persona.

Round table

Carlo Clavarino EMEA Executive Chairman, Aon

Oreste Gallo President, Cometa Fund

Victor Massiah CEO, Ubi Banca

Marcella Panucci Director General, Confindustria

Q&A

Q&A

1.20 pm **Luncheon**

2.20 pm

SUSTAINABLE SOCIETY

Women empowerment

An equal and sustainable society guarantees to everyone equal access to health, education, earning power and political representation.

Narrowing the gender gap is the objective in order to enhance a just society and to lift out of poverty millions of people.

Una società equa e sostenibile garantisce a tutti parità di accesso a salute, istruzione, reddito e rappresentanza politica. Restringere il divario di genere è l'obiettivo per promuovere una società più giusta e affrancare milioni di persone dalla povertà.

Special Guest

Rael Ruto Spouse of the Deputy President of Kenya, Founder and Patron, Joyful Women Organization

Round table

Maria Cristina Bertellini CEO, Euro Mec Service

Sigríður Snævarr Ambassador, Iceland Ministry for Foreign Affairs and Member, Exedra

Mina Teicher Vice President, International Women's Forum

Q&A

3.25 pm

SUSTAINABLE TECHNOLOGY

Visions of future

Between reality and virtuality, far from utopia and keeping away from dystopia, technologies open unpredictable scenarios on the future. It's the moment to design a digital future on a human scale.

Tra reale e virtuale, lontano dall'utopia e al riparo dalla distopia, le tecnologie aprono scenari imprevedibili per il futuro. È il momento di progettare un futuro digitale a misura d'uomo.

Special Guest

Nicholas Negroponte Chairman Emeritus, Massachusetts Institute of Technology's Media Lab and Founder, One Laptop per Child Association

Round table

Roberto Cingolani Scientific Director, Istituto Italiano di Tecnologia

Robert Madelin Chairman and Director, Fipra International

Giulio Pedrollo Vice President, Industrial Policy, Confindustria

Q&A

12.45 pm **Luncheon**

2.00 pm

RESPONSIBLE CONSUMPTION

Circular Economy and Shared Value

Circular economy is at the heart of the agenda established under the Europe 2020 Strategy for smart, sustainable and inclusive growth. Responsible performances and shared value are ways of maximizing businesses while solving social problems. Two ways to move forward towards real change.

L'economia circolare è al centro dell'agenda stabilita nella Strategia Europa 2020 per una crescita intelligente, sostenibile e inclusiva. Performance responsabili e strategia del valore condiviso rappresentano la via per massimizzare gli affari e al contempo risolvere problemi sociali. Due strade per procedere verso un reale cambiamento.

Special Guest
